Days ahead of going live, GVF announces Vertical Future as the Strategic Partner

[Dubai](#) (agrar-PR) -

The Middle East's largest and only exclusive vertical farming event - the 4th Global Vertical Farming Show goes live next week on Wednesday and Thursday - the 13th & 14th of September'23 in the beautiful venue of Movenpick Grand Al Bustan Dubai. Timings for both days are 9 A.M to 5:30 P.M (Local Time).

Participants are already confident about the success of the show and the last-minute registrations witnessed a lot of upgrades.

Vertical Future, a leading name in global vertical farming technology and data company that builds advanced vertical farms, upgraded itself to Strategic Partner, Green State, a company focused on hardware and software solutions for vertical farming upgraded itself to Lead Sponsor and Total Grow, a company offering cutting-edge autonomous agriculture tech and cultivation design and solution took the Silver Sponsorship.

Many new vertical farming and related companies, and organizations joined the participation list and the show is almost 100% sold out.

The organizers, the TAB group said "This is the second time we are holding the show in Dubai. Last year, the show exceptionally performed well and was a huge success in bringing the entire vertical farming value chain under one roof. This year also, looking at the last-minute response - we can sense the same energy and enthusiasm."

"We are amazed by how the event is performing days before it is supposed to go live. With support from the Ministry of Climate Change & Environment, ADAFSA, AAAID, Emirates Development Bank, Dubai Municipality, Food Tech Valley, Emirates Nature WWF, Sharjah Research Technology & Innovation Park, Sharjah Sustainable City and many more key supporting organizations - we are anticipating the show shapes in appreciating standards."

Amongst prominent speakers, the show has H.E Mohamed Mousa Alameeri - Assistant Undersecretary, Food Diversity Sector, MOCCA, H.E Mohamed bin Obaid Al Mazrooei - President, AAAID, Sultan Khamis Al Waheebi - Investment Division Director, ADAFSA, Abdullah Al Hamed - Vice President, EDB and several others from big and notable organizations.
