2023 World Battery Industry Expo (WBE 2023), formerly Asia Battery Sourcing Fair (GBF ASIA)

[Guangzhou, Guangdong, China](#) (agrar-PR) - Date: August 8th-10th, 2023 Venue: China Import & Export Fair Complex Address: No. 380, Yuejiang Zhong Road, Guangzhou, China

Exhibition Scale:

Exhibition Area: 70,000sq.m. of 4halls

No. of Exhibitors & Visitors: ?1000 exhibitors ?50,000 visitors

Covered Scale: ?40 countries and regions

Strong Support from 50+ Nationwide Enterprises Group

Representatives of battery companies from all over the country have actively organized groups to take a look at the demeanor of each exhibitor and potential partners, including Foshan Teamgiant Group, Huizhou DESAY Battery Group, Shenzhen Jiesheng Intelligent Logistics Group, and so forth.

Moreover, WBE also attracted a crowd of related downstream visitors, such as batteries, material accessories and equipment, as well as new energy vehicles, electric vehicles, power tools, photovoltaics, wind power, lighting, home storage, data centers, consumer electronics, smart terminal equipment, etc

A Promising Future of Energy Storage Industry Under the Double Carbon Strategy

According to the "14th Five-Year Plan" New Energy Storage Development Implementation Plan, new energy storage will be ready for large-scale commercial applications by 2025. Meanwhile, outdoor camping also drives the explosive growth of outdoor mobile power supply.

More than 100 energy storage and outdoor power supply enterprises dressed up to attend WBE 2022. Zhang Tianren, chairman of Tianneng Group said that energy storage is an important part of the new energy system, as well as the most dynamic and promising industry in the world. WBE is also a chance to build an "international circle of friends" for energy storage industry.

Intelligent Charging and Battery Swap Cabinet Seeing a New Development Opportunity

In recent years, many cities in China have launched the pilots of "intelligent charging + battery swap cabinet" for electric vehicles, which effectively solves the problem of outdoor electric vehicle charging, and be able to control the fire caused in the charging process. This new mode is facing an unprecedented market opportunity

A range of brands brought the latest charging and swapping cabinets to participate in the WBE, such as Yunku, HEXUP, Daneng, Xindetong, Dichuan, GSG NEW ENERGY, Bitean, Youtai, Zhixun, Sinepow, etc.

Partial Confirmed Battery Exhibitors of WBE 2023

- ? Chinese Academy of Sciences (CAS)
- ? China Automotive Technology and Research Center
- ? BYD
- ? Tianneng
- ? Lishen Battery
- ? CALB
- ? Desay Corporation
- ? EVE Energy
- ? BAK BATTERY
- ? Great Power
- ? TeamGiant
- ? REPT Energy
- ? Dejin New Energy
- ? Sunwoda
- ? Coslight Group
- ? Highstar
- ? Ganfeng Battery
- ? Yinlong Energy
- ? CosMX
- ? RiseSun MGL
- ? Tianjin EV Energies
- ? Roofer Group

? Tianjin Space Power
? Haihong Technology
? Goldencell
? Zhongtianhongli
? Topak
? Anchi New Energy
? Hvea Amperex
? Zhongli New Energy
? HGB Battery
? Joysun
? Future Power Technology
? Cham Battery
Mottcell
? Hualiyuan Lithium Energy
? EEMB Battery

? Runyin Graphene
? Rishengzhi Electronics
? Huaxing Energy
? BOPU Plastic Electronics
? Density New Energy
? Didu New Energy
? Huahu Energy Technology
? Ronda Group
? Boltpower
? Xiezheng Electronics
? Hosin Times
? Ubetter
? ECE Energy Technology

Joining Hands With Worldwide Associations!

WBE has established a close-knit strategic partnership with Guangdong Battery Industry Association, Dongguan Lithium Battery Industry Association, and Tianjing Battery Industry Association by serving as their Secretary General in Guangzhou!

Besides these 3 trade bodies, other 100+ associations worldwide have also trusted us as an effective trade platform for the industry, recommending their members to join the show as exhibitors or buyers.
