## Asia-Pacific Power Supply Product and Technology Exhibition 2022

[Guangzhou](#) (agrar-PR) - Date: August 10th-12th, 2022 Venue: China Import & Export Fair Complex, Guangdong, China  
Address: No.382, Yuejiang Zhong Road, Guangzhou, China

With gathering the foremost power supply brands in China, Asia-Pacific Power Supply Product and Technology Exhibition, one of the largest and most influential power supply trade shows in China, is a strategic platform not only for domestic and international manufacturers to display their advanced power supply products as well as technology but also for professional distributors to import quality products. Having been held for a consecutive 11 years, the event is highly recommended by insiders, professional institutions and media at home and abroad and helps overseas power supply companies to find their first pot of gold in China!

China's Power Supply Market & Industry Is Thriving!

The Ministry of Industry and Information Technology of China predicts that the country's power supply market will grow from 232.1 billion yuan in 2017 to another all-time high of 257.6 billion yuan by 2022. China is also home to 5000+ power supply manufacturers, mainly spreading across the Pearl River Delta, the Yangtze River Delta and the region near Beijing.
