Solar PV World Expo (PV Guangzhou 2022)

Date: August 10th-12th, 2022 Venue: China Import & Export Fair Complex Address: No. 380, Yuejiang Zhong Road, Guangzhou, China

With gathering the foremost solar photovoltaic brands in China, Solar PV World Expo, one of the largest and most influential PV trade shows in China, is a strategic platform not only for domestic and international manufacturers to display their advanced solar products as well as technology but also for professional distributors to import quality products. Having been held for a consecutive 13 years, the event is highly recommended by insiders, professional institutions and media at home and abroad and helps overseas solar photovoltaic companies to find their first pot of gold in China!

China Leading the Pack in Newly Installed PV Capacity

According to a report by Testpv, the world's newly installed capacity is estimated at around 120GW in 2020, with China leading the pack with 48.2GW, followed by the US, Vietnam, Germany, Australia, Brazil, Korea, India, and the Netherlands. China Photovoltaic Industry Association (CPIA) Predicts That During the 2021-2025, China will yearly add 70GW of PV Capacity on Average.

Preview of PV Guangzhou 2022

After 13 years' development, PV Guangzhou has successfully made itself one of the most well-known and popular solar photovoltaic expos in China, attracting a lot of world-famous companies as its loyal exhibitors, such as Huawei, JA Solar, Longi, Chint Solar, Yingli Solar, AKCOME, AP System, Kstar, SOFAR SOLAR, Growatt Solar, SAJ, Goodwe, Amerisolar, GINLONG, UNIEXPV, Mibet, IVNT, Afore, Kingfeels, and so forth.

Exhibition Scope

? Photovoltaic Production Equipment: silicon rod silicon block silicon ingot production equipment, silicon wafer production equipment, battery production equipment, solar panels/modules production equipment, film version of the battery production equipment, and etc.

? Production Technology & Research Equipment: photovoltaic cells, related PV components, PV raw material, PV project and system, and etc.

? Solar Application Products: solar street lamp, lawn lamp, yard lamp, beacon lights, agricultural insecticide lamps, chargers, lights, traffic warning lights and other solar information display screen.

If you don't want to miss out on this grand event, then please mark its date and venue, and register for your free digital ticket now!
