Asia Landscape Expo 2024 is Coming!

[Guangzhou](#) (agrar-PR) - *The Asian Landscape Industry Expo is based in Guangzhou, radiates to Asia, and faces the world.*

Since 2008, it has attracted more than 2,000 well-known brand enterprises from around the world to participate, serving more than 500,000 professional visitors at home and abroad. It is a must visit exhibition for the industry to "connect the local market internally and expand international trade externally". Currently, it is striving to continuously build domestic landscape architecture, urban construction The primary goal of the exhibition for landscape design and landscaping products is steadily advancing.

The 2024 Asian Landscape Industry Expo will be held from May 10th to 12th at the Guangzhou Canton Fair Exhibition Hall. The expo was founded in 2008 and has attracted more than 2,000 well-known brand enterprises from around the world to participate, serving more than 300,000 professional visitors from home and abroad. It is a platform for professionals in the entire landscape industry chain to promote corporate brands, promote trade transactions, expand sales channels, search for new and excellent products, and make high-quality contacts. An international exhibition and trade platform that explores industry trends is not only a grand exhibition for major brand enterprises to trade nationwide and cloud chain globally, but also a showcase for innovative and creative design in the landscape industry!

We welcome more industry peers to attend our exhibition!
