## **The 16th China Int'l Integrated Housing Industry & Building Industrialization Expo**

[Guangzhou](#) (agrar-PR) - Date: 10 - 12 May, 2024 Location: China Import and Export Fair Complex Region: China, Guangzhou

Hosted by

Technology and Industrialization Development Center of MOHURD

Department of Housing and Urban-Rural Development of Guangdong Province

Department of Industry and Information Technology of Guangdong Province

Guangdong Association for Science and Technology

Exhibition Scope

Precast Concrete

Steel Structure

Wooden Structure

Hybrid House Structure and Modular House

Passive House Construction

Interior Decoration

Intelligent Construction and Building Industrialization

Intelligent System

Live Activities

2023 "Green Intelligence - Quality Urban Construction" Summit

2023 "Wuhan University of Technology Zhongshan Research Institute" Concrete Intelligent Manufacturing Technology Forum and Industry Quality Development Conference

2023 Forum on High Quality Development of Concrete and Mortar Industry and Promotion of Intelligent Robots in Construction

2023 New Wall Materials Development Forum and R&D Achievements Exhibition

The 2nd Greater Bay Area Steel Structure Intelligent Construction and Building Industrialisation Technology Exchange Meeting

2023 Metal Roofing Industry Development (Guangzhou) Networking Conference

2023 Metal Roofing Industry Development (Guangzhou) Networking Conference

Concurrent Events

2024 The 3rd Greater Bay Area Steel Structure Intelligent Construction and Building Industrialisation Technology Exchange Conference

?2024 Steel Structure Engineering Project Fine Management and Cost Control Exchange Conference

- ?2024 Metal Roof Photovoltaic Integration Development Exchange Meeting
- ?2024 Stainless Steel Building Materials Application Development Forum
- ?2024 Large-scale Public Building Design and Construction Key Technology Summit Forum
- ?2024New Wall Materials Development Forum
- ?2024 Global Construction Robot Application Conference
- ?2024International Modular Building Development Summit
- ?2024 Guangdong, Hong Kong and Macao Bay Area Assembled Public Building Project Supply and Demand Matchmaking Exchange Meeting
- ?2024 Guangdong B&B Industry Conference & Guangdong Rural Revitalisation Development Conference
- ?2024 The 13th Guangzhou International Building Steel Structure, Space Structure and Metal Materials and Equipment Exhibition
- ?2024 The 14th Guangzhou International Tile Trade Fair & Tile Making Industry Exhibition
- ?2024 The 14th Asia Pacific Flooring Show

#### Target Visitors

1. Urban construction planning departments, municipal landscape bureaus, management departments for development zone / scenic spots, tourism and vacation resorts, golf clubs, real estate developers, architectural design schools, garden landscape design companies, engineering departments, etc.
